Developed in collaboration with a podiatrist, our Sports Pedicure blends clinical insight with a premium spa experience. Designed for active lifestyles — and inspired by the foot care needs commonly seen in men — it delivers targeted care for thicker nails, calluses, and areas of repeated stress. Careful nail shaping and maintenance help reduce pressure inside the shoe, improving comfort during work, training, and everyday activity. Whether you're an athlete, spend all day on your feet, or simply appreciate exceptional foot care, you'll leave feeling refreshed and ready for what's next.
